GUIDELINE FOR PUBLICATION ON SCTC WEBSITE AND SOCIAL MEDIA

The Sault Community Theatre is pleased to publicize your event according on our Website and Social Media platforms. To do this, we require you to provide your material in publishable form in accordance with the following guidelines:

Delivery: Your materials should be delivered to saultctc@shaw.ca by email, Dropbox, or Google drive.

Timing: Your materials must be delivered at least 7 business days in advance of your intended date of publication, although the Theatre Centre will make every effort to publish it sooner if possible.

Website Calendar and Banners:

Banners will be rotated on our home page during the month of performance and will otherwise be sited from the time of posting at other locations on the website, including the ticket selling platform. Your material may include a feature image that defines your event and a written title and description of the event. Note the image standards guidelines below.

Online Ticket Site:

Tickets are sold on our self-standing TixHub site that is linked to the Website. Your event may be advertised on the ticket selling site too, using the same materials submitted for the Website. Note, however, that image sizing is different as indicated in the image standards guideline below.

Social Media: Your material may be posted on our Facebook and Twitter pages. On Facebook we can also co-host your event if you create one on your native Facebook page, thereby increasing viewership. Because of bandwidth limitations, we will embed links to your videos or trailers located elsewhere, for example on YouTube or marketing channels. On Social Media, we will do at least 3 posts (when tickets go on sale and two reminders during the week before the event). Events taking place at the Theatre Centre will be given more exposure. You may create your own Twitter text (consisting of no more than 280 characters) or leave it to us. Again, note the sizing requirements in the image standards guideline below.

Copyright: It is your responsibility to assure that images and text included in your materials comply with copyright laws. By agreeing to publicize your event on the Theatre Centre's Website, Ticket Selling Site and Social Media, you represent compliance and agree to save the Theatre Centre harmless from all damages, costs and penalties of any kind arising from a failure to comply with copyright laws. Images, text, trailers and videos are often available from authorized agents and publishers. The Theatre Centre takes no responsibility for the content of the material presented to it or its marketing. We reserve the right to withhold publication of materials we consider, in our sole discretion, to be in breach of the law.

Contact: Questions or concerns should be directed to saultctc@shaw.ca.
